

Position: Fraud Detection Support

Coinweb is on a mission to solve blockchain's biggest problems. We're making usable blockchain technology that's more collaborative, better connected, and accessible for everyone. We have a diverse and international team with offices in London, Bangkok, Kyiv and Barcelona.

For our overall business, we are looking for a Fraud Detection Support

The candidate will be responsible for analysing our existing traffic and proactively discover potential Fraud Cases. The candidate will need to familiarize and utilize our current fraud detection systems. Affinity with FinTech and/or E-commerce is a plus.

We are seeking for this position ideally a Fraud Detection Support with some experience. You need to enjoy crushing data, solving problems, be innovative and get the desired result.

Responsibilities

- Monitoring and analysing our payment traffic with our SW tools
- Deep analysis of potential fraud cases (who, how, when)
- Case preparation for discussion with our Merchant

Qualifications

- Proficient in Excel
- Ideally, experience in Fraud management and the tools used
- Analytical skills
- No 9-5 mentality

Location

- Bangkok is the preferred option
- Barcelona and Kyiv are also a possibility
- Remote work is possible on specific days

Remuneration

- Subject to experience and qualifications
- Performance-related bonuses
